BUSINESS AGENT

Wayne Burnett

LOCAL OFFICES HELD AND HOW LONG: Steward – 20 plus years; Alternate Chief Steward – 2 years; Presently Divisional Chief Steward, Building 7; Trustee – 6 months; Financial Secretary/Treasurer – 10 years combined

MEETINGS ATTENDED IN THE PAST 24 MONTHS:

Membership, 23 Steward, 23

STATEMENT OF QUALIFICATIONS: Commitment Brothers and Sisters!

That is a pledge I made to this Union many years ago and serving this membership is a great honor. If elected to this position, my commitment will not waver.

Remember Brothers and Sisters, it's not about me, it's about the thousands of you who made this a Great Union. Thank you,

Signed: **Wayne Burnett**

Gregory Engel

LOCAL OFFICES HELD AND HOW LONG: Alternate Steward – 6 months; Department Steward – 1 year; Divisional Chief Steward, Bldg. 18C (current) – 1 year; Alternate Trustee – 3 months

MEETINGS ATTENDED IN THE PAST 24 MONTHS:

Membership, 24 Steward, 24

STATEMENT OF QUALIFICATIONS: While I still have a long time before I become a "senior" member of this union, it is with great honor that I accept Pat Rafferty's nomination for Business Agent. Almost immediately after becoming a member of 506, I became as involved as I could in this union. I promptly gained the support of my peers by becoming an alternate departmental steward, departmental steward and currently Divisional Chief Steward. We have only one opportunity to learn everything we can from our current B.A. and I believe in my many years to come, I am the person who can pass this knowledge on to our future members. Although I've only been part of this Local for a short time, compared to half of our membership, I bring dedication, patience and the credibility needed to become this leader of our union and its principles.

Signed: **Greg Engel**

PRESIDENT

Jim Pifer

LOCAL OFFICES HELD AND HOW LONG: Union

Steward, Bldg. 5, 1st shift – 6 years; Union Steward, Bldg. 10, 3rd shift – 1 year; Union Steward, Bldg. 10, 1st shift – 1 year; Bldg. 10 Alternate Chief Steward – Presently; Bldg. 5 Divisional Chief Steward – 7 years.

MEETINGS ATTENDED IN THE PAST 24 MONTHS:

Membership, 5 Steward, 5

STATEMENT OF QUALIFICATIONS: I come to you asking for your support for the office of UE Local 506 President. We are heading into 2009 with a downturn in locomotive orders and off highway trucks. It is imperative that we elect a leader that will represent all 506 Members. We need someone that has experience in negotiating with the company to bring back all farmed out work. I have that experience, as chief steward of Building 5 we were able to successfully negotiate the return of Amtrak fuel tanks, that's just one example of several successes. We need a leader with integrity, a leader who is able to tell members the same thing he tells the company. A president the company will respect and deal with fairly because of his proven leadership. We need someone who will look at issues objectively and base his actions on what's fair and beneficial to the members, not succumb to pressure from the company of others. I have the endorsement and support of Frank Fusco and Pat Rafferty, along with most of the chief stewards. When Frank decided not to seek reelection he along with Pat, who has been business agent for 12 years, looked at who would be most able to do what I have outlined above. In short they asked me to run for president because they believe I am the best candidate. I have been chief steward when work has been slow as well as when times have been busy. In closing if elected, I pledge to do what I have stated above and always work to move this Union forward.

In Solidarity,

Signed: **Jim Pifer**

Vice President and Recording Secretary for the last 2 years, working with the Chief Plant Steward and the Divisional Chief Stewards as a member of the Grievance Committee, and being the scribe for the numerous special officer meetings, I witnessed first hand the many issues the membership faces on the shop floor.

Every compromise or concession leads to the erosion of what this Local's union leaders have fought for.

I pledge, as your elected President, to work hard to save and maintain the standards we have won at the bargaining tables, effectively advancing the policies and principals of the UE, moving this Local forward, united and for the benefit of everyone.

MEETINGS ATTENDED IN THE PAST 24 MONTHS?

Membership, 24 Stewards, 24

STATEMENT OF QUALIFICATIONS: The office of Vice President / Recording Secretary is an important position that requires both experience and the ability to accurately record the discussions held at all meetings. It is an office that would oblige the VP to take over the duties of President, should a crisis arise. It also requires the individual to conduct correspondence, as well as perform other duties necessary to a proper and effective administration of the Local.

With my past experience, I have gained an enormous amount of insight into the workings of the Union. Through my 35 years as a union member and officer, I have acquired the expertise in negotiations with the company, necessary for this office. I have also performed the duty of scribe on several occasions in past grievance sessions with the company.

If you allow me to hold this office position, I will commit myself, as I have in the past, to uphold the principles and policies of this proud Union.

In these challenging economic times, I pledge myself to strive to make this plant the best place to work, helping to achieve the best wages, hours and working conditions possible. These are rights that we have worked hard to secure, and

STATEMENT OF QUALIFICATIONS: Fellow UE 506 Members - I have worked at this facility for more than 20 years. Having been a steward in 18 Truck for the last 7 years has made me appreciate the hurdles we have overcome throughout the years. Even in these difficult times we should not go backwards and give up anything for which we have fought. This is the time for us to stick together and watch each other's backs no matter what your service. These principles have worked for over 70 years and will continue to do so as long as we stick together as a union and a community. If I am honored with your support, I will make sure that the rights of ALL UE 506 members are adhered to and ALL members are treated fairly. Being one of the Executive Board Members at Large would give me the opportunity to represent ALL UE 506 members. Your support would be appreciated and not wasted.

I am not shy when it comes to speaking up, and do a very good job of clearly expressing both my concerns and the concerns of those I represent. At times like these, it is vital to give all a seat at the table. I also have been very creative in getting management to focus on our concerns that they would rather ignore. Please give me a chance to work for a strong Union voice and fight for the respect we have already earned time and again.

I was selected as an alternate delegate for this year's eastern regional meeting and was sent by the membership to Washington D.C. last year to lobby for all working people.

The UE 506 needs to be a strong voice in the community. And the UE needs to be a strong voice in the nation and the world. If elected, I plan on chairing the Legislative Action Committee if the next president of the Union asks me to do so and to get others involved in this the most important committee we have.
