

# GE Transportation Parts LLC a WABTEC Company - Erie

## TRA Time Line

TA-W# 93917

**Certification Date** – The date workers are certified as eligible to apply for TAA/TRA benefits by the US Department of Labor and for purposes of determining the first payable week

**Impact Date** – The date USDOL determines that foreign competition first affected the workers. This is usually 1 year prior to the filing date

**Petition Filing Date** – The date USDOL determines the petition was filed

**Expiration Date** – The date the petition certification expires. Expiration is 2 years after the certification date.
